

Gary Layne

Gary has been a Christian and was baptized when he was 7 years old.

God called Gary to become a minister on his first trip to Nicaragua in 1993. He spoke at a small church in the mountains and knew God was calling him to continue sharing Jesus as Life.

In 1994 he came to a realization that God was calling him away from a career in computer sciences and into full time preaching and teaching. He spent the next few years taking classes and studying the Bible, learning to live what God was teaching him.

In 2003 Gary was officially licensed as a minister and became the evangelism pastor at a church in Atlanta, Georgia, USA.

In 2005 Gary spent time as a missionary in Mississippi managing a year-long recovery effort after Hurricane Katrina devastated the Gulf Coast of the United States.

In 2008 Gary joined the staff of Piedmont Baptist church as the education pastor. He furthered his education at Grace Ministries International where he was certified as a counselor. In 2012 Gary joined Grace Ministries International as a full time counselor, conference speaker and teacher. He also managed the business portion of the ministry.

Gary has taught and preached on 5 continents. He has spoken in Bulgaria, China, Chile, Croatia, Colombia, England, Nicaragua, Mexico, South Africa, and more.

Gary writes and teaches workshops at national conventions, also writing and presenting seminars and conferences around the globe.

He is currently working on a book about the practical ways God makes a difference in our daily lives and society.
